CAREER OBJECTIVE

As a Bachelor of Technology student, I am seeking an internship that allows me to apply my skills in a real-world environment while gaining valuable industry experience. My goal is to enhance my programming and problem-solving abilities through hands-on projects and collaboration with experienced professionals. I am eager to contribute to a team where I can share my enthusiasm and knowledge while learning from others in the tech industry. Additionally, I hope to explore various fields within computer science, such as software development and data analysis, to better understand my career interests and build a strong foundation for my future in technology.
